The Merritt Chapter to propose a change in the cut off date for vehicles to be recognized by the club and the Okanagan Chapter wishes to change the club logo and the way names may be

taken by chapters. The first is a guideline change the second would be by an amendment in the constitution. Ray handled a discussion on these two matters and it appeared the general consensus of the club was to deny both proposals.

Meet at the Chilliwack information center at 1:00 o'clock and a \$5 admission charge per person. Frank reminded everyone about the Mar. 21 tour to Suderman's and to Richard Heyman's.
