Ron Eyben has agreed to line up speakers at the monthly meetings for this year.

To begin the year Ron gave a very informative talk on glass. ### Internet

Richard Heyman is doing a great job with our website. To access it go to the bar on top of the internet page and type in [www.vccc.com](http://www.vccc.com) , that should bring up the Vintage Car Club of Canada website, then click on Chapters A-M and then onto Central Fraser Valley. Work your way through the different headings. If you have something you would like to contribute or would like to see on the site, please contact Richard Heyman.

## Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.

## A little Humour from Big Valley

T'was the month after Christmas and all through the house,  
nothing would fit me, not even a blouse.

The cookies I'd nibbled, the egg nog I'd taste,  
all the holiday parties had gone to my waist.

When I got on the scales there arose such a number!

When I walked to the store, less a walk than lumber.

I'd remember the marvelous meals I'd prepared;  
the gravies the sauces and beef nicely rared.

The wine and the rum balls, the bread and the cheese and the way  
I'd never said; "No thank you, please!"

As I dressed myself in my husbands old shirt and prepared once again  
to do battle with dirt.

I said to myself, as only I can, "You can't spend a winter disguised as a man".

So—away with last of the sour cream dip,  
get rid of the fruitcake, every cracker and chip.

Every last bit of food that I like must be banished,  
till all the additional ounces have vanished.

I won't have a cookie not even a lick, I'll want only to chew on a long celery stick.

I won't have hot biscuits or corn bread or pie,  
I'll munch on a carrot and quietly cry.

I'm hungry, I'm lonesome, and life is a bore, but  
isn't that what January is for?!

Unable to giggle, no longer a riot,

Happy New Year to all and to all a good diet!
