Minutes for the General Meeting held Oct. 3, 2012

of the Central Fraser Valley Chapter of the Vintage Car Club of Canada

This month before the regular business meeting commenced Gordon Taylor gave a talk on the court system in Canada. Gordon explained the different level of courts and the different cases each court heard. This was very informative with Gordon taking questions at the end.

Meeting was opened at 8:10 P. M. by President Gordon Taylor.

There were three guests present this month.

Previous month's minutes; moved by Lois Wilson and seconded by John Jackman to accept as published in the Crankshaft Journal, carried.

Treasurer's report: Treasurer Jean Smith gave the treasurer's report.

Correspondence: A & W coupons and KMS catalog.

Membership: Rick Unger away on holidays this month, Bob Ferenczi filling in; he reported we have 92 members to date.

Name tag draw won by Lucy Eyben, not present, \$15 next month.

50'50 draw; won by Mike Strachan in the amount of \$61.50.

Old business; Ray Lamb and Jack Woolard co-chairpersons for the 2015 May Tour asked for a brief meeting after our regular meeting tonight.

Jeanette is looking after the children's Christmas party.

George Coupland has the adult Christmas Party basically all arranged. To be held on December 16, 2012 (Sunday), Happy Hour at 4 P.M., dinner served at 5:30 P. M., music is arranged for dancing etc. Cost will be \$25 per person. George stated to keep the cost at \$25 for members and guests we need a minimum of 100 attendees. George recommended we bring guests.

Good of the organization: Member Henry Lehn is recuperating at home – give him a call. Member Bill Matson is in Royal Columbian Hospital and may be having heart surgery. Reverend Weldon Holland from the Chilliwack Chapter passed away after being in the hospital over 6 weeks after falling from a ladder at home.

Positions to be filled this coming year at election time, President, Secretary and club correspondent. With 92 members we should have no trouble filling these positions. The chapter also requires someone to co-ordinate events in the worst way.

The meeting went into a very lengthy discussion on Father's Day in the Park. Gordon gave an overview and asked for any volunteers for the position of committee chairman. No one volunteered. I am now going to list everyone who spoke on and about the event and other options. I am not going to try and report everything that was said. The discussion was lengthy with Gordon asking for a show of hands at various stages of the discussion. The following members spoke on the subjects; Frank Nicollette, Ron Eyben, Earl Smith, Lois Wilson, Ron Morris, Mike McVey, John Jackman, Leroy Clingwall, Robin Ferenczi, Dave Wilson, Susan Shull, Wray Woodman.

At the end of the discussion Gordon called for a vote to continue with the event or not. The majority were in favour of not continuing with the event.

Linda mentioned the ladies breakfast is on Wednesday the 17th and Leroy mentioned men's coffee is the same day.

Ron Morris knows of a 1930 Chev for sale.

Vic Mossey has a 1978 camper van for sale.

Meeting adjourned at 9:10

Respectfully submitted; Leroy Clingwall, Secretary.

Internet

Richard Heyman is doing a great job with our website. To access it go to the bar on top of the internet page and type in www.vccc.com , which should bring up the Vintage Car Club of Canada website, then click on Chapters A-M and then onto Central Fraser Valley. Work your way through the different headings. If you have something you would like to contribute or would like to see on the site, please contact Richard Heyman.

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
