The News Letter of the Central Fraser Valley Chapter
of the Vintage Car Club of Canada

Minutes of the General Meeting and Annual Elections,
November 6, 2013 Central Fraser Valley Chapter
of the Vintage Car Club of Canada.

Meeting was opened at 7:35 by President Gord Taylor.

Ken has brought a video presentation of his 1960 Amphicar. It was made in West Germany with an 1147 Spitfire engine and Porsche transmission; it did 7 knots on water and 70 mph on land. There were only 3800 made and Ken has been the second owner of his little gem for the past 40 years. There is a big following of these cars in the US with prices at Barrett Jackson reaching from \$40,000 to the top price seen of \$120,000. Ken is re-restoring and rewiring and has the convertible top still to do.

Guests tonight are the Gary and Jean Spicer from Vancouver Chapter; they'd heard good things about us and came to see for themselves.

There were no new vehicles this month.

Motion to accept previous month's minutes; moved by Mike McVey and, seconded by Ray Lamb.

Treasurer's report; as reported by Earl for Jean, we currently have \$12259.51 including a second account for the May 2015 tour with a balance of \$2500.

Correspondence: Audrey Stephanuk brought invitations to the 2nd annual Garage Tour and BBQ for Cancer research, a KMS tool catalogue, a U-line shipping catalogue, and a Thank-you card from Pat and Jim Johnston for the fruit basket sent by the club.

Membership; Rick Unger reports that we had 85 members in 2013 and 2014 registration is now underway

Name tag draw; Jim Johnston... not present.

Re & Re Draw (Rent and Restoration); \$92.50 won by Dave and Lois Wilson.

Ian Newby offered up a Model A prize for whoever could name the part he's been holding onto forever. Mike McVey called it a Model A kingpin.

Directors meeting report; Don Warren has a display case to donate to the club for our trophies and awards. Terry Johnson has agreed to store the case and trophies for us in exchange for free coffee at the General Meetings. Don will deliver it to Terry's.

The Next Governor's Meeting is in April 2014. The 50th Anniversary of the VCCC is in 2018 and the governors have asked the clubs to think of what they want to have for a

celebration. Jack Woolard has retired as the Insurance advisor for VCCC. Thank-you for all your work Jack.

The Abbotsford Exhibition Office is closing and moving to Abbotsford City Hall.

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
