The News Letter of the Central Fraser Valley Chapter
of the Vintage Car Club of Canada

Back Then

Minutes of the General Meeting held February 5, 2014 for the Central Fraser Valley Chapter of the Vintage Car Club of Canada.

Meeting was opened at 7:35 by President Rick Unger. Semi-formal meeting tonight with round tables and Valentine's goodies.

No Guest Speaker tonight but Ken Pasaluko told us about the letter he received from the Manitoba Vintage Car Club, awarding him a lifetime membership. He has been a member for 50 years. Congratulations Ken.

Guests tonight are Marie and Joe Kovacs, members from Victoria Chapter but have moved here,

Motion to accept previous month's minutes; moved by Ron Eyben, seconded by John Jackman, all in favour.

Treasurer's report was read by Jean with no changes from last month. However, the final totals for the Christmas parties are in and while we made a great profit from the games and auction at the Adult Party, the Kids party was not a fund raiser. In the end of it all, the club paid out about \$50.00 for the 2 parties.

Correspondence; KMS flyer, Card from Shirley Hazzard with her renewal cheque, Model A Sunday posters and Revelstoke 2014 registration forms.

Membership; Ron and Pat are still in Phoenix, so Gord Taylor is covering for them at this time. We have a couple of new members tonight, Alden and Michelle Michaelchuks and Brian Ware. Between them they are bringing the clubs car tally up by 18 new cars. We have 79 members as of tonight.

Name tag drawn was Frank Nicolette.... Yes! Frank's buying!

This will be the last night for SVA membership through the club, the club registration form, fees and all of the individual forms and fees will be sent in for processing. Also, tonight is the deadline for general renewals to make it into the 2014 Roster.

Re & Re Draw (Rent and Restoration); was looked after by Al and Cindy and was won by, Barry Bollman.

No Governors meeting until April.

Director's Meeting last month there were approvals for funding for the Dash Plaques for Model A Sunday, a new, more portable PA system and costs for the May Tour Logo as well as the Country Car Show. Frank has since purchased a new PA system for the club from London Drugs, as described in the last Directors meeting minutes. Cam Hutchins has looked after the design of both the May tour Logo and the 2nd Annual Country Car Show poster. They are both excellent pieces, and the club extends a huge Thank you to Cam for his efforts and abilities.

Question of how to keep track of the names of service providers the club members have used or know about for future use. How can we share the information without endorsing the company? Can we put the notices on the website or does the National need to be involved? How can we keep the info up? Will bring forward to the next Directors Meeting.

Upcoming Events are; February 9, 12:00 noon at Doug Taylor's for an Open House. Come and see his new toys.

March 9, 1:00 pm at the Auto-Mall, Car run and tour of the Fire Truck Factory

April 6, Car Run, details at a later date.

April 26 and 27, the 2nd Annual Country Car Show at Otter Co-op.

May is still open for a Car run and don't forget the 2014 May Tour in Revelstoke, May 16 – 19th.

June 1 is Model A Sunday, posters are available at the front table. We are currently over booked and Leroy will sort it out and get back to us.

July 12- 14, the 2nd Annual 70 Mile House campout. We will put out more details at a later date.

The 2nd Annual Country Show is coming up again in April. A committee meeting was held yesterday at the Otter Co-op Boardroom with Senior Management. So far the Entertainment is booked, the posters have been done up and are being sent out. The flyers are already at the second printing, and there are a few available if you have some place you would like to put it up for advertising. The dash plaques will be the same but without the first row of cars. We will need everyone to come out and help for an hour or so as this year is looking to be bigger and better than last year.

On display next to the Co-op will be a fully restored steam tractor and inside the Co-op will be Jeanette's GMC Pick-up. Committees will be set up at a later date and to clarify last month's suggestions, there will be no Swap Meet type tables.

Jack Woolard is not here tonight but the next May Tour meeting will be on Feb 19th at Jean and Leroy's. Cam Hutchins has the posters for our logo done and Bill Trant will put together our registration forms for us. Diane is looking to everyone to help with fund-raising and sponsorship from the members. If you know someone or work for someone who may be interested, call Diane to discuss details.

Jeanette is looking for help with donations for the Country Car Show. All leads and donations gratefully accepted.

Richard Heyman has been looking after our website maintenance and clean-up and doing an awesome job of it. Members are encouraged to go on to the site as there are pictures and up to date info on it.

Rental Agreement is due again in September. Motion to renew lease made by Larry Perkins and seconded by Larry Allenson. All in favour.

March meeting will be held at the Sport's Museum. An email reminder will be sent out.

Ladies breakfast is on February 19th and Men's coffee is on at Leroy's.

Meeting adjourned for coffee and goodies at 8:40 pm by John Jackman, seconded by Frank Nicolette. All in favour.

Thank you to Kathy for the Valentines goodies and the decorations. Frank was wise to volunteer you!

Respectfully submitted, Robyn Ferenczi

Internet

Richard Heyman is doing a great job with our website. To access it go to the bar on top of the internet page and type in www.vccc.com, which should bring up the Vintage Car Club of Canada website, then click on Chapters A-M and then onto Central Fraser Valley. Work your way through the different headings. If you have something you would like to contribute or would like to see on the site, please contact Richard Heyman.

Pictures from the Christmas Party are now available online. Go to www.vccc.com, look up Central Fraser Valley Chapter, look for Past Events and they should be there.

Good & Welfare

Fortin's Auto Parts;

George Coupland & Rick Unger have negotiated an agreement with Fortin's Auto parts which will give the club "most competitive pricing" and a 3% loyalty reward credit to be redeemed by the club for prizes at different club events. When making a purchase make sure you let them know that you are with the "Central Fraser Valley Chapter" of the VVC. This will be recognized in the Clearbrook, Sardis and Chilliwack stores. We will also be receiving a quarterly promotional email.

KMS, we have a similar arrangement with KMS tools.

Equipment inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This

would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
