The News Letter of the Central Fraser Valley Chapter
of the Vintage Car Club of Canada

Minutes of the General Meeting held May 7, 2014 for the Central Fraser Valley Chapter of the Vintage Car Club of Canada.

Meeting was opened at 7:35 by President Rick Unger.

Guests tonight are with Frank and Kathy, Mary and Dwight are visiting from Edmonton. Larry S. is here with new member Ron.

No Guest Speakers tonight, entertainment is a couple more shorts of the InterUrban Rail-line. Mt. Lehman - Bradner - Chilliwack. The PA system has been hooked up to the laptop and the projector so let's give it a try. Remember, these films were produced in the 1950's and the narration was added by an retired brakeman in the 1990's. Larry Perkins is currently helping to restore one of the old cars.

Motion to accept previous month's minutes; missed.

No Treasurer's report tonight but the bank balance was confirmed by Rick Unger. A big thank you goes out to all who participated in the Country Car Show and Shine. It was another successful weekend. Gordon Taylor currently has the cheque book but the club needs a Treasurer. With the 2015 Registration coming in soon, this is reaching a critical point. Jean is willing to help tutor anyone who might want to volunteer or we may have to check the constitution about hiring a bookkeeper.

Correspondence; due to the amount of correspondence, I have left it until the final page.

Membership; Ron and Pat report 89 members as of tonight with Terry Adamson and Will Sicles joined up tonight. The name tag drawn was Will Sicles, that's how we get new members to come back for more. Welcome to both of you.

Re & Re Draw (Rent and Restoration); was won by David Graham. Congratulations David.

Governors Report; There are 1449 members currently registered with the National. Jack Woolard has been recognized for his work and diligence as the Insurance man for the National. He has now retired from the position. Congratulations Jack and thank you. New advertising is needed, so if you know of someone who isn't currently in the Vintage car magazine, let the Governor know. The current Presidents term of the VCCC is up and a new one will have to be elected. Ray is continuing as Vice President for this term. Tourism Abbotsford has agreed to help us with reservations and booking online for the 2015 May tour. The dues increase that was rumoured to be coming in has been defeated and cost saving ideas have been discussed.

The rent for 2014-15 contract has been renegotiated and there is a small price increase. This was discussed at the executive meeting and agreed to stay where we are over moving. Also discussed was the possibility of getting vests or pinnies made for Club event volunteers as a way of the public being able to recognize quickly who we are. Robyn will look into prices.

Ron Eyben reports there was a rainy trip to Allen Edwards garage tour attended by 8 or 9 of our cars and some from the Golden Ears club too. Picnic lunch, poker cards, prizes for 1st, 2nd and 3rd and a tour of 2 or 3 of Allen's buildings and some gorgeous cars. And.....

Today, Wednesday, May 7th was McDonald's cookie day Show and Shine. It started at 9:00 am in the Value Village Parking lot on Clearbrook Rd. There was lots of food and fun and a successful cookie day for the kids.

May 16 - 18th; May Tour 2014 in Revelstoke.

May 23 - 24; Coastal Swap Meet at the Tradex.

John Jackman gave a us a brief Country Car Show debriefing, thanking everyone who came out and supported this event, including George Hoffman who, with his family and friends spent 2 full days with the Steam Tractor running. Committee heads and their volunteers for all the effort, the entertainment was fantastic and Otter Co-op are great sponsors. There was a lot of fun had by all. A partial report has our total better than last years event.

May Tour 2015; Ray will look after getting us online with the Tourism Abbotsford hotel registration and we will have to start getting to our sponsors and donors now before they start setting their budgets for next year. The next committee meeting is on May 25th at Jean and Leroy's.

Diane Hanson has the sponsorship letters ready to be picked up by anyone who has a company or friends they would like to speak to about sponsoring us. There are already a few companies who have volunteered to supply us with some necessary items. Please liaise with Diane if you have someone in mind to approach for donations or sponsorship so we aren't asking the same people over and over. Or if you need some help with approaching a company. Diane's phone number and email are on the letter.

The National is having a new website designed. We always need photos of events or cars to be sent to Richard Heyman for uploading to our page.

Rick received an email from the SVA with a certificate acknowledging our support and participation.

The 2014 year bars were presented by Rick Unger and Jean Clingwall. A big thank you to Jean for keeping this straightened out.

Internet

Richard Heyman is doing a great job with our website. To access it go to the bar on top of the internet page and type in www.vccc.com , which should bring up the Vintage Car Club of Canada website, then click on Chapters A-M and then onto Central Fraser Valley. Work your way through the different headings. If you have something you would like to contribute or would like to see on the site, please contact Richard Heyman.

Pictures from the Otter Co Op Car show are now available online. Go to www.vccc.com, look up Central Fraser Valley Chapter, look for Past Events and they should be there.

Good & Welfare

Kathy Nicolette wishes to thank all for your condolences and the beautiful bouquet sent by the club in memory of my sisters passing. Your thoughts were much appreciated at this time.

The Otter Co Op was an overwhelming success. Special thanks to the people who organized it.

Equipment inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
