Minutes of the General Meeting held November 5, 2014 for the
Central Fraser Valley Chapter of the Vintage Car Club of Canada.

Call to Order at 7:35 by President Rick Unger Welcome all and thanks for coming out this evening to this our Annual General Meeting. We have another very full evening ahead, in addition to the usual business to take care of, we will hold our election of officers for 2015 (past president Gordon Taylor has agreed to chair that portion of the meeting); as well as discussion and ticket sales for our Christmas Parties and Ron and Pat are accepting 2015 membership renewals and new member applications.

There are no guests this evening.

New cars ; Frank and Kathy Nicolette are pleased to announce the safe delivery of their new (old) 1963 Buick Riviera from Edmonton and Diane and Willy have started the paperwork for their new (old) 1963 Plymouth Valliant from the Monroe Swap meet. Congratulations to the happy couples.

I am sorry to have to pass on news that long time member of both our Chapter and the Antique Chapter, Mr. Mike Strachan passed away Monday at Abbotsford Hospital. Mike was always willing to help other members, especially with their square cars, and brought his Ford's out to many club functions. Service will be held on Nov. 23rd, 2 pm at the Aldergrove Legion.

Entertainment/guest speakers: Don Warren has an interesting story about a 1932 90 series Buick McLaughlin from Hammond. It was sold for \$6000 and 2 Air Canada tickets by Buzz Lundgren. It was then restored by Don at Rumbleseat Restorations over a 5 year period, with a price tag of \$51,000 added to it. It was number 5 of 7 cars produced and appraised at \$4 million. It was recently resold and is now going to Switzerland.

Minutes of Oct. 1st general meeting circulated in the Crankshaft Journal – Any errors or omissions?

Governor's Report Meeting in Merritt Oct 18th attended by Ray Lamb and myself-promoted May Tour 2015; Ray's reported a thank you card and gift card have been sent out to Marg and Ernie McNaughton for the recovery of our CFV Banner. It has been missing for a number of years now and was found in a second hand/ Antique shop in Armstrong. Equipment inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
