Correspondence:

- As requested by National President Del Holbrook, Jack W. prepared and sent a final May Tour report via email on Oct 12th for the Governor's Meetings in Merritt. (copy available on front table).

-SVABC 3Q Report circulated via email by Earl on Oct 16th; copy of President Nigel Matthews report on front table); mentions Keith Jackman's award; Director Bob Kelly's update on ongoing ICBC policy change discussions, etc. Personal note: after sending Bob a note that I had successfully registered my 1949 Ford pick-up under the new policy, responded to say that ICBC reports over 200 since April 9, 2015. I personally feel it is worthwhile for individuals and our Chapter to continue to support the SVABC "United We Cruise Divided We Loose".

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
