Good & Welfare

Lois Wilson had a nice article in the local paper regarding her giving one of her kidneys to her sister - in-law.

May Tour

Jack Woolard gave a presentation on the tour, everything went exceptionally well, any mix ups were addressed immediately and no one ever knew the difference. We exceeded all our expectations. The bus tour Friday afternoon was a huge hit, everyone liked the road tours, music, and entertainment, the Valve Cover Races were a big success with everyone cheering their favorites on. The food was superb, I don't think it could have been any better and there was lots of it. Everyone was pleased with the venue, all the decorations, having the judged cars on display inside the building. At the end of the event Linda Lamb's wall decorations we sold for a donation to 'Mathews House'. All volunteers did their utmost to make the tour a success. The tour was not only successful we actually made a few dollars. Special thanks to Jack & Ray and all the committee members. I think we may have set the Bar High for anyone else who takes this Tour in the future.

We have received complimentary letters from members of the Okanagan Chapter, Vancouver Chapter, Victoria Chapter and the National President praised us for presenting the Tour which we did.

On Sunday evening one overheard a committee member using the word "Exhaustipated". Upon inquiring I found out the word meaning which is, "to tired to really give a crap".

Equipment inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
