Director's meeting report. There was a discussion about the Country Car Show which John Jackman reported tonight that it was a success despite the rain. A meeting has since been set up for Thursday June 02 at 9:30 am at the Otter Co-op. Having the field for extra cars was successful. Joe Wright and Leo Ferraro put everything back in place after the show. Thanks to Bob Ferenczi and Gord Stebanuk for slaving over the BBQ all day approx. 117 Hamburgers, 126 hot dogs and 107 smokies were cooked. We do have some food left over which Rick Unger put in his freezer for a possible future club bbq or donate them Lordco came up with some good prizes. The cost of the pamphlets which were available was over budget by \$200.00. Jeanette Wright pointed out allowing free entry was problematic and suggested everyone pay next year to avoid this. She also mentioned that someone from Sechelt came to participate. There were some new members who volunteered and of course much thanks to all the volunteers that came and contributed.

There will be some investigating in the cost and process to have biographies written for senior club members to become part of our history records with Ronda Payne (e.g. Ron Peigl was instrumental in obtaining the Collector Plate program).

- some discussion about how to spend our club's accumulated bank balance; I have kept the ideas submitted by members last Fall.

Good & Welfare

Unfortunately the man with the big voice is no longer with us, Ken Pasaluko has passed away. There will be a service held at the Abbotsford Eagles Club Hall located at 33868 Essendene Ave on June 3rd at 2 pm. He will be missed.

David Graham extended a invitation from the Totem A&T club to join them in a Sept 2016 Tour of the Henry Ford Museum, Contact David Graham for more information.

We are looking for trophy's from previous awards. At one time there was a hard luck trophy, a Dip Stick trophy and a Bruce McLeod trophy. If anyone knows anything about these trophy's or their whereabouts, please let us know. There is some thought of re-instating these trophy's.

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
