Good & Welfare

We are looking for trophy's from previous awards. At one time there was a hard luck trophy, a Dip Stick trophy and a Bruce McLeod trophy. If anyone knows anything about these trophy's or their whereabouts, please let us know. There is some thought of re-instating these trophy's.

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
