CFVC General Meeting Minutes

January 11, 2017

Call to Order by our newly re-elected President, Rick Unger

..... Welcome and Happy New Year! I hope everyone had a safe and enjoyable holiday season. 2017 promises to be another exciting and fun year for our club with many activities and special events planned.

Sorry for any inconvenience from the change in meeting date due to weather related delays in the renovation of the Agrec Gallery. Given the weather last Wednesday, maybe it was a good thing (the parking lot was very treacherous).

I would like to welcome our new secretary for 2017 **Cindy Ouimet**.

Are there any guests and/or new members this evening? Welcome back **Steve Paul!**

No guest speaker or entertainment tonight that I am aware; **Ray Broderick** will present a slide show next month with Photos and Stories of his past travels.

Minutes of the Dec 7th general meeting were circulated via email. I have a copy up front. Any errors or omissions? Mike McVay motioned 1st and Joe Wright 2nd – All in favour, motion passed.

Treasurer's Report- **Hazel Coupland** absent due to a cold/flu but sent a report. There will be a full treasurer's report at our next general meeting, including a summary of the Christmas party financials.

Cindy Ouimet and **Jeanette Wright** have again volunteered to conduct the annual chapter financial review as stipulated in the VCCC Constitution sometime early in the new year. Thanks for offering to do this, ladies.

Correspondence:

- - **Earl Smith** circulated the Bellingham AAR Spokesman newsletter via email, notices of the change in the meeting date, and a notice that Ron Eyben was in hospital and would like some company.

- **SVABC** email re reminder of membership and Annual Newsletter. July 8th 2017 will be Collector's Car Day.

- **Dorothy Eyben** sent a card that Ron will be getting out of hospital on Friday and sent goodies to the meeting for everyone. Thank you, Dorothy.

- Leftover Boxing Day Ribbon for everyone that would like one.

- **Mike McVay** brought in a magazine called "What's On", containing an article on the upcoming Model A Car Show in Fort Langley. There will be articles in the next four issues.

2017 Country Car Show Report- John Jackman

John is out of town and unable to attend but sent the following report.

The country Car Show is our main fundraiser event for the chapter. Car Show executive will meet in six weeks to discuss the event. Theme this year is Electric Cars Past and Present. This event is put on with partnership of the Otter Co-op. Promotions are ongoing and on track. Additional parking will be available at this year's show. BC Hydro will have a display at the show. **Dave Gmur** may be able to provide a large tent for the event.

Other Old/New Business:

- looking for Crankshaft Journal editor. **Richard Heyman** accepted – thank you Richard.
- **Chartwell Seniors Home** request. We are invited to a Car Show June 5-9th. This conflicts with Canada 150 Tour and Model A Sunday. Will need to discuss alternative dates. They are also asking for a speaker for their Men's Breakfast. They would like someone from our chapter to give a talk for 20 minutes.
- Any ideas for our Chapter Anniversary? Directors will discuss this at the next Directors Meeting.

Events & Activities Report

- **Christmas Parties report/feedback: Jeanette, Dorothy, Cindy.** Great turn out to both events despite the weather. Cindy would like to thank members for any donations made towards the Auction. Auction had a profit of \$493.89. Christmas Parties enjoy by all!
- **Boxing Day Run: Joe and Jeanette Wright** – 22 vehicles participated and WOW talk about timing, managed to get in the car run and Coffee/Donuts at **Terry and Donna Johnsons** before the snow hit!!! Thank you, Terry and Donna. Three members from the Chilliwack Chapter showed and there were four very brave Vintage Cars. Thanks Joe and Jeanette for another great Tour.

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
