We say good-bye to Earl Smith and Bill Mattson

Earl Smith
Feb.25, 1939
-Aug. 9, 2017

Earl Smith has passed away. Earl was formerly active as a Director in the Hyack Festival Association, a Captain in the New Westminster Fire Department, President of the Abbotsford Ravine Park Salmon Enhancement Society for 20 years, owner of Hub Fire Trucks, President of the Royal Agricultural and Industrial Society and many roles in the Central Fraser Valley Chapter of the Vintage Car Club of Canada.

Earl joined our car club chapter 12 years ago, and will be greatly missed. As long time editor of our chapter newsletter, *The Crankshaft Journal*, his monthly mail outs of our local goings on was much anticipated and much appreciated. Earl was also our club's modern-day announcer, as, through email, he kept us up to date on events, meetings, sales, searches, and more.

Bill Mattson

Bill Mattson passed away Sept 10th 2017 at the age of 94 years after a lengthy illness. Bill, Margaret and family were active members in the Central Fraser Valley and Antique Chapters, particularly in the early years and had made many friends in the hobby. They became members of our chapter in the very first year of formation 1983! Bill loved Model T's and owned many of them over the years. Margaret has moved from Lake Erroch to West Kelowna BC and their car collection has been distributed among the family. A Celebration of Life will be held on Sunday Oct 1st 12 noon at the Deroche Hall in Deroche BC. The family requested that in lieu of flowers that you make a donation to the charity of your choice in Bill's memory.

Mission Springs Car Show – Sunday August 13, 2017

Each year, the Mission Springs Brew Pub puts on a great show and shine in support of a cure for Cerebral Palsy.

Our club was once again put in charge of directing the show vehicles into parking spots which was ably co-ordinated by **Dave Gmur**. We had a great turnout of helpers who stayed for the entire event.

The Event this year was another fine display of cars and trucks from a great variety of vintages. There were about 40-50 vehicles in attendance and the weather co-operated perfectly.

Mike McVay and Rick Unger taking a short break from their parking duties

Although we had quite a heavy rain late Saturday night and into the early morning hours of Sunday; by noon it had cleared up and was a fine day.

The smoke had gone, and we could finally see clouds and blue sky from horizon to horizon. A very welcome sight!

The Springs also had a great selection of door prizes (*right*), so all participants received a reward for the day.

And for our parking labours, they treated us to a delicious complementary Brunch.

Wait.....is that.....yes.....I believe that lady on our right...yes... oh boy, that lady on our right ...it's gotta be....she's non other than, yes, Angelina Jolie (just back from the Oscars, I'd say). And, if that's the case, then the person on our left (Angelina's right), yes, it must be, *oh my, oh yeah...*she must be dancing with non other than Brad Pitt....yes...I'm sure of it. *Wow! (and is he wearing the latest blue-tooth headphones in the shape of a very trendy hat??)*
