A Merry Christmas and Happy New Year to All

Teamwork in action at the 2021 Toys for Tots rallye

Toys for Tots Drive a Success – Fraser Field

I would like to thank the members that donated to the *Toys for Tots* drive held at Abbotsford Centre. The event was very successful with a mountain of toys collected for children in the area. Also there were many donations for seniors in need. Steve Williams and I along with many volunteers arrived before 7am and spent the day collecting items and thanking the many drive through donors who arrived throughout the day. A great event that was well attended. Thanks to our club members that took the time to donate.

Vice President:	Absent	Treasurer:	Absent
Secretary:	Kathy Nicolette		

Directors:

Peter Ouimet, Ron Morris, Al Ganske, Regan/Tracy Lewis, Sue Shull, Terry Johnson, Mike McVay, Ken Hall

Members At Large:

Eugene/Marion Handel, Pat Morris, Ray/Colleen Broderick, Bob/Robyn Ferenczi, Richard Heyman, Lilah/Don Warren, Rudy/Vicky Wiewel, Joe/Jeanette Wright, Roy Shull, Gary Spicer/Jean Husband, Ed Gorman, Ken Grahame, Steve Williams, Wendy Hall, Cindy Ganske, Dorothy Field, Donna Johnson, Moe Johnson

Meeting called to order at 7:33 pm. Location: On-line Zoom Meeting – Hosted by Frank Nicolette

Frank Nicolette – Welcome and thanked all for attending. And commented on the show of Christmas Attire – very festive.

Guest Speaker:

- None this evening

Reading and Adoption of the minutes: *Mike McVay moved for adoption of the minutes of November 2, 2021, as published in the Crankshaft Journal, seconded, Al GanskeCARRIED*

Treasurer’s Report: Cindy Ouimet (Absent - submitted online)

- Gave the report with the current bank balance.
- Bills paid in November
 - Mike McVay – Dash Plaques - \$ 126.01
 - Road Rage – Name Tags - \$ 55.45
 - Cindy Ouimet – Stamps - \$ 19.32
 - Richard Heyman – Crankshaft - \$ 116.36
 - Jeanette Wright – Sunshine - \$ 95.00
 - VCCC National – Dues - \$ 1,260.00
 - Canada Post – Box Rental \$ 181.65
 - Bank Service Fee - \$ 2.00
- Deposits – Membership Dues \$ 1,545.00
- Frank asked if anyone had bills to submit for payment: none mentioned
- Requested in the report that the club should review the necessity of continuing to retain a post office box due to the cost, that with now receiving bank statements online, and that we rarely receive more than the occasional flyer and requests for donations. Perhaps we could use an executive’s address (change each year as required). Frank advised that we open this for discussion with the executive, research cost of address change, and any other effects using a member’s address may create.

Motion to adopt as reported by Frank Nicolette, seconded by Regan Lewis.....CARRIED

Correspondence: email from the City of Abbotsford – advising that December 1st booking was cancelled by the city. There would be no city venues available until further notice as they were keeping all open for flood relief needs.

Discussion followed looking for alternate venues

Rick Unger has advised that KMS Tools would welcome our use for executive or car show meetings (it would be too small for a general meeting)

We would be looking for a facility that would be suitable cost wise (between \$65.00 and \$120), size wise (accommodate minimum of 80 people with Covid restrictions in place), have washroom facilities, disability access (required for long term, not a deal breaker if temporary use). As ask if anyone has any ideas to please contact Frank or anyone on the executive to follow up.

Membership Report: Ron Morris

- Confirmed he has 37 renewed memberships paid up to date
- ATTENDANCE DRAW: \$25.00 – our winner – **Regan Lewis** – next month will be \$ 5.00
- Frank thanked Ron for pursuing the outstanding classified ads in the Crankshaft – to confirm cancellation of any that are no longer needed.
- A reminder for anyone advertising to be sure to let Richard know when your item is sold so he can discontinue to run the ad.
- Frank asked about the need for a membership drive (phone committee). Ron advised that he does not feel this is necessary yet, he is receiving renewals regularly.

Rent and Restorations Draw: Al Ganske advised – draw is still on hold for obvious reasons

2022 Country Car Show Report: Regan Lewis

- Date for our 2022 show is April 24, 2022.
- Regan advised he has spoken to Darren Jones, and he is ecstatic that we are willing to use the school for a show this year. He will speak to the school and school board in the new year and confirm approval. Darren is not expecting any problem with this approval.
- Regan will then begin planning in the New Year.

Newsletter: Richard Heyman

- Advised that all is good right now.
- Thanked Terry Johnson for the article about the Diana
- Called for stories and updates or submission to continue to be forwarded to him
- Reminded all to check the Web site for updates – and to have a look at Kamloops Chapter and the Peachland Wheel Nuts, both are excellent reads, as are all the Chapter newsletters
- Frank thanked Richard for another excellent edition of the Crankshaft

Governors Report: Fraser Field

- Nothing new to report at the Governor level – not much happening this time of year
- Governors spring meeting will likely be via Zoom
 - **Governor's Award**
 - This is usually presented annually at the Christmas Party, but for obvious reasons that cannot happen this year.
 - After much review of the membership with many deserving candidates to choose from, I am happy to present the award to a couple this year. They have done much to hold our club together through these tough times. They have worked very hard, and their hard work has paid off. The award goes to **Frank and Kathy Nicolette**.
 - Frank and Kathy - not prepared with an acceptance speech, but are truly appreciative of receiving this award. Thank you so much.

*Our very deserving
Frank and Kathy*

Old Business:

- Policy and Procedure Manual
 - Committee: **Frank Nicolette, Gord Taylor and Regan Lewis**
- After many long hours, sleepless nights and lack of food and drink (just kidding), we have finally put a draft document together for review. Many thanks to Gord Taylor for a very professional and “legal looking” document.

This has been forwarded to the executive for input and approval and should anyone wish to read through it let me (Frank) know and I will forward you a copy.

- This will be posted to the Web Site once adopted

New Business:

Elections:

Frank advised that he did not receive any nominations or challenges from the membership at large by November 22, the date given on the request sent out to the membership.

As advised the current executive had agreed to stand for another term in their capacity on the Executive for 2022 or to remain for the duration of their term

Please join me in welcoming back your 2022 Executive

Sunshine Report: Jeanette Wright

- Fruit Basket sent to Dave Gmur. Condolences to Dave and all the family with Lucy's passing
- Condolence card to Audrey Stebanuk in the passing of her brother
- Get well card to Cathy McIntosh
- Get well card to Jack Woolard, recovering at home after severe pneumonia
- Ron Morris advised that Mila Gorman is currently recovering in convalescent care after suffering a brain bleed. Jeanette to send some sunshine her way.

Good of the Order:

- Sue Shull: Local Disaster and Flood Relief
- Made a presentation recommending that the club look at assisting our community in some way, Feeling that there was already adequate support for victims through several federal, provincial and community groups, she was hoping to find a way to help those people/volunteers that have helped out and are out of pocket, a group that may have "fallen through the cracks". Her research has led her to the animals and pets that many have

stepped up to assist at their own expense. Perhaps we could donate to help those victims in the animal world (smaller pets), such as boarding, feeding, vet care, bedding, cages. All expenses related to caring for other's pets. Perhaps through the Langley Animal Protection Society.

- Discussion was held and the following is some of the feedback
 - That we could collect some needed items and find a place to drop them off
 - That we could pass the hat amongst the membership to provide a cash donation
 - That the club could provide a cash donation
 - That although we are not a service club, this is a one-time local disaster that we could step up to offer support.
 - That it was perhaps too soon to identify what is needed, that this is not a short-term disaster, and we have time to provide support where it will be most needed
- General consensus of the group present is that it is a good idea and would like to help
- Requested that Sue continue to do further research, contacting organizations and find out what they need most in way of support (goods, cash, labour) and report back.
- Thanked Sue for her work on this project.

Christmas Sweater Contest – Big money prize - \$25.00 Fuel Gift Card

- We had a large percentage of members participate in this and some excellent showings. Our completely secret and unbiased judges finally presented the award to **Ray and Colleen Broderick**. Excellent choice and lots of fun and laughs were had by all.
- **Next Meeting:** Wednesday, December 1, 2021
 - Plan in person – Legacy Building - Covid Regulations dependent. Will advise if it will be in person or via Zoom

Adjournment: 8:51 pm

December 2021 Message from President Frank

'Tis the season to be Jolly,.. to celebrate, to gather, to enjoy, and remember. We are now able to gather with family and friends, albeit smaller numbers, but what a difference a year makes. We reflect on some sad times as we have lost Chapter members this past year, and unfortunately, we have not had in-person Chapter meetings for almost 2 years. Between Covid and Floods our resolve has been challenged this year, our thoughts and best wishes go out to those affected. We have been able to get to the odd Car Show Event, and have had opportunities to meet and cruise together, attend fundraisers and meet for coffee. It almost feels normal at times. Another year has gone by for your Chapters' Executive, who have been at the helm of the Chapter to ensure chapter business is looked after. I would also like to acknowledge all the volunteer committee heads and members who have put in time and effort to ensure we continue to move forward and keep things interesting. A huge thank you to all.

As you are aware by now, the entire Executive from last year have retained their positions and will continue to lead our Chapter through 2022. (Please note the list of positions for the Executive as well a list of committee heads and volunteer positions in this Crankshaft). To the membership at large, a big thanks to you for participating when able and being committed to keeping the chapter and the old hobby vibrant.

We have challenges currently in finding facilities to accommodate meetings as the City has not yet sent out booking opportunities for facilities, due to flood relief programs and Public Health Authority

requirements. Without incurring huge costs, it is hoped we can find a temporary facility to hold in-person Chapter meetings in the New Year. Our Chapter's main fundraiser event, the "Country Car Show" is scheduled for April 24th, 2022. All things willing, we look forward to finally getting the show on the Parking lot of the Aldergrove Community Secondary School once again. Stay tuned, you and your car!

In closing here are wishes for a Happy Holiday, a great Christmas, and best wishes in the New Year.
Be safe, Cheers
Frank Nicolette

Celebrating Our History - John Jackman from the desk of *Ronda Eyben-Girl With a Pen*

Car people just seem to gravitate to other car people.

A mutual love and respect of the automobile led to ongoing camaraderie and friendships. These car-based relationships have ensured John Jackman remained an iconic member of the Central Fraser Valley Chapter of the Vintage Car Club of Canada since the late 80s. Joining the Abbotsford-based chapter built on his involvement with VCCC clubs since he joined his first in 1959.

Not long before becoming a member of that club, 1955 was a good year for John because he married the love of his life, Bea. She knew she had married a "car guy" and the pair was an active force in car clubs they were involved in. It's hard to say if he bought the '55 Packard he once owned because of his fondness of the year, or if it was his love of the car. The Packard was used in the 1995 version of the movie *Bye Bye Birdie*.

"You meet some of the finest people you could ever meet in automobile clubs," John says.

"There are very interesting events that take place all through the year."

Sadly his first car, a 1930 Model A Ford sedan he named BeBop which he had in high school, is no longer part of his vehicle "line-up". However, John recognizes the importance of that car to his future interests and participation in the club.

"To me, the designs, the lines of the car is very special," he says. "I really like to look at the lines and design."

He's had a lot of cars in to admire. A 1928 Whippet, a 1959 Imperial South Hampton, a 1956 Desoto, and so many others. He recalls buying and selling close to 140 cars.

John & Bea in Victoria, BC — 1955 — in their 1926 Studebaker

More than the cars themselves, John and Bea's involvement in the Fraser Valley Chapter is significant. From their Aldergrove home, Bea managed the newsletter for a number of years. John served as president for 2 ½ years from 1999 to 2001 and the pair both served as chair people for the popular swap meet for three years.

It was John who, in 2015, suggested the club create a special Country Car Show to

be held at a main intersection in Aldergrove.

He spoke to the Otter Co-op and in 2016, the first show was held with a packed parking lot complete with musical entertainment, a BBQ, door prizes, silent auction and more. Each subsequent year measures such as attendance and fun-had-by-all.

A small part of the first and very successful Country Car Show

was a success both financially and by other

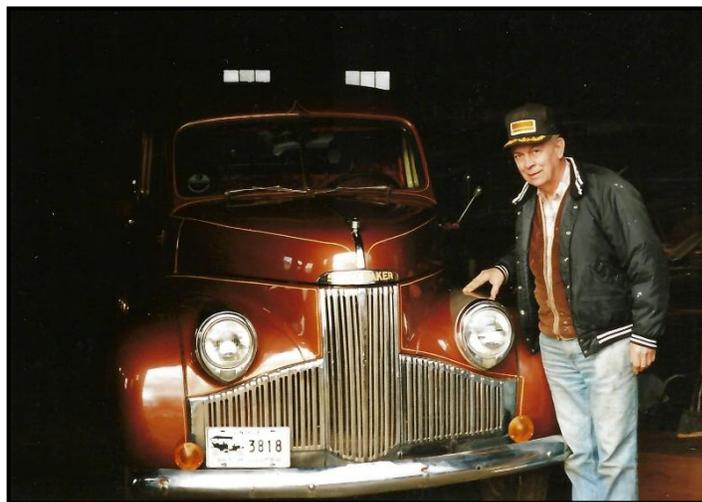

Additionally, the Country Car Show raised funds that were donated to a number of important local charities like Abbotsford Hospice Society and Valley Therapeutic Equestrian Association.

John continued to chair the event for five years and kept helping on an ongoing basis. This was part of his strategy to keep busy after Bea passed away in 2014. They were together for 63 years and as he explains, he simply took things one day at a time. He continued to stay involved with his car club friends and kept active in numerous activities as she would have wanted.

John has always been a hard worker, having spent many years in the hospitality industry in the Peace River Area. He and Bea owned a number of restaurants and hotels up until 1989 when they returned to John's hometown of Aldergrove. It may have been this exposure to working with the public that made him such a social and interactive individual. His desire to chat with fellow club members is obvious from his smile and warm greetings.

John continues to be a fixture of the Fraser Valley Chapter. He's attended meetings when he can, helped out and taken lead roles when it was needed and participated well into his late 80s.

"The fellowship and the friendship," he says have been very important to him. "There's no hassles. No politics."

Restoration Update

Mike and Elizabeth van Tilborg's Model 'A' Cabriolet

Submitted by Frank Nicolette, with some text and pictures courtesy of Horsepower for Hospice program.

Thanks go to Mr. Ed Froese for the photos and the storyline

It all started in 1974 with Mike's phone call to his long time friend Ed Froese, inviting Ed to accompany him to the Monroe Swap Meet in search of a Model A Cabriolet. Off they went in Mikes' Valiant one dark morning, crossing the border (in the good ol' days) making their way down to Monroe WA. Once there, they sauntered over to a bulletin board where they spotted an ad, with a pull tab phone number. A phone call was made, and he set up the meet. \$468USD later Mike had a project and like they say the rest is history. Borrowing a truck and trailer from the Feed company Mike was working for at the time, drove back down to pick up the car. The work started in the basement of the van

Tilborgs home. With a lot of searching for mechanical and body parts, restoring and rebuilding and plenty of labour.

Over time a stellar 1930 Model A 68-B Cabriolet emerged. With the exception of paint, and upholstery (which Mike had helped with) he had done the entire car himself, fabricating some parts, bolts and pieces he was unable to find. It took a lot of dedication, determination, craftsmanship and patience.

And what a beauty!

In 2012 the Model A took to the roads. Many in our Chapter have seen this car and it is a show stopper and, winner, as evidenced by Mike's recent win as "Mayors Choice" in this past August's Horsepower for Hospice Show and Shine fund raiser held at the Mt. Lehman Winery. Congratulations to Mike!

Mike receiving award from Mayor Henry Braun of Abbotsford

56,000 Cabriolets were built between 1929-1931.

Boxing Day Run

Cruise and Lunch Stop

Yes, its that time of the year to make a turkey leftover lunch. We've organized a short one hour driving tour, just to challenge your abilities to follow directions and end up at a lunch stop in a park.

When- Sunday December 26th! Rain or Shine!

Time- 11:00 AM ****Leaves at 11:00 am****

Where – Meet in front of Tim Hortons at the Fraser Valley Auto Mall Mt. Lehman Rd. Abb.

Destination- Derby Reach Park on the Fraser River. 21801 Allard Cr. Langley

Details and directions for the tour will be emailed.

What to Bring? – your lunch of choice and beverages. Lawn chairs, warm clothing.

We plan on having a campfire, if you wish to bring hot dogs to roast please bring your own fixins' and wiener sticks. Smores and marshmallows too if you like.

For those that wish to meet the tour there, we should arrive around noon.

There are pit toilets available at the park.

No food or drinks will be provided, and we ask that you bring your own utensils, napkins and sanitizer.

We hope you can join in the fun, and.... be careful campfire songs may breakout.

Drive whatever suits you on the day, it'll be great just to get out and enjoy the camaraderie.
