Garage Tour

A special thanks to Frank & Cathy Nicolette and Bob & Robin Ferenczi for organizing the tour. We started at the Teamsters Museum in Port Coquitlam where we had a guided tour by Bob Nairn. Bob had an interesting story to tell about each truck. After the Teamsters Museum we continued on to the personal collection of Don and Carole Watts. Some members from the teamsters joined us. The Watts have an impressive collection, of mostly Ford Convertibles although I did see a Dodge convertible and a Corvette there. Don and Carole joined us for dinner at the Albion Pub. A good time was had by all.
