The News Letter of the Central Fraser Valley Chapter
of the Vintage Car Club of Canada

1917 Model "T"

Minutes of the General Meeting held January 2, 2013 for the
Central Fraser Valley Chapter of the Vintage Car Club of Canada.

Meeting was opened at 7:30 by President Gordon Taylor.

Previous month's minutes; moved by Frank Nicolette and seconded by Bob Ferenczi to accept the minutes as published in the Crankshaft Journal, carried.

There are no new cars since the last meeting but the report on project cars has Ron Eyben's '66 T-Bird in parts and down to the bare metal.

Rick Unger is working on weather stripping and looking at getting the upholstery done on his ongoing project.

Treasurer's report; Treasurer Jean Smith gave the treasurer's report. Our Christmas party was successful in adding to our coffers. Thank you George.

Welcome to the new Secretary, Robyn Ferenczi.

Correspondence; A&W coupons.

Membership; Rick Unger reports that we have 66 members paid up to date and Rick is still open for registration.

Welcome to new members; Murray Labish, owner of a 1954 Buick Special and to Mike and Elizabeth vanBorg who join us at the Christmas party. Mike and Elizabeth own a 1934 Cabriolet.

Name tag draw; won by Casey Van Gool, present and wearing his name tag. Congratulations Casey.

Replacement name tags are available at a cost of \$10.00. See Rick.

50/50 Draw; \$58.00 won by Mike McVay

Old Business; George and Hazel reported that the Christmas party was a success and everyone enjoyed themselves. By a show of hands it was agreed to book the Bradner Hall for Saturday December 14, 2013 and George will book the same band as well. Our profit was not quite what George had hoped for as he forgot to calculate the HST when figuring out the costs.

Upcoming summer events; Vintage Car Show on June 22, 23 at the PNE fairground and on Saturday August 11, 2013 Mission is going to close the Main street to all traffic for a Show and Shine.

Our Entertainment committee (George Copland and Leroy Clingwall) has been busy planning.

Leroy has put together a Sunday drive for January 20th. All are to meet at the Tim Horton's by Zeller's and be ready to leave at 1:00 pm. We will meet with Chilliwack Club at 1:30 and continue on to Fairfield Island.

George is going to set up a Card Night for February, possibly at the Bradner Hall. Crib, canasta, bridge and maybe a hand of poker if anyone knows the rules.

Jack Woolard has nothing to report tonight on the May Tour. Everything has been on hold for Christmas and will get started up again soon.

John Jackman reports he has an upcoming meeting with Merrilee at Otter Co-op and Mopar to work out a plan for our BBQ and Show and Shine on April 27 and 28th. Otter Co-op will be advertising and promoting in conjunction with their big gardening blitz.

John gave us a brief Dodge story concerning a 55 Step side pickup he owned. He sold it last year to a fellow from Australia. The man sent John a 3 page writeup done by a British paper and let him know that the truck was in 3 car shows in England and won 3 trophies.

Ron Eyben spoke about the "3rd Annual Boxing Day run". We left the Auto Mall, with a number of Chilliwack members, traveled north on Mt Lehman Rd to Olund Street, and then wound our way through the valley to Ridgedale. We passed the radio relay station and into Clayburn village where we meandered through the village and into the East side of Abbotsford, the Eagle Mountain subdivision area and ended at Leroy and Jean Clingwall's home for coffee and goodies. Thank you Jean and Leroy.

No New Business at this time and no Big Valley report

Gordon, Earl and Ron Morris entertained us with some jokes and stories.

Next Executive Meeting; Gordon Taylor's home on Wednesday January 30th.

For the good of the Organization; Ladies Breakfast will be on January 16th. Men's coffee is unknown at this time as Leroy is away.

John Jackman moved for adjournment at 8:00 pm.

Respectfully submitted; Robyn Ferenczi, Secretary.

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
