MINUTES FOR THE GENERAL MEETING OF THE CENTRAL FRASER VALLEY CHAPTER OF THE

VINTAGE CAR CLUB OF CANADA.

OCTOBER 2, 2013

Meeting was opened at 7:40 by Vice President Rick Unger. Our guest tonight was Peter Ouimet's father, Marcel. No one had a "new" car to report.

Ron Eyben showed a short vintage film documentary on a very sturdy 1930 Dodge. He also showed pictures of the restoration of his '66 Thunderbird, started in October and completed in April, with much help and guidance from Ron Morris.

Motion to accept last month's minutes: Made by Lois Wilson, seconded by Mike van Tilborg; carried.

Treasurer's Report: Jean advised the bank balance is presently \$12,263.33.

Correspondence: A&W coupons and KMS Tools catalogues.

Membership: Rick reported we have 85 members. Steve Paul was not present to win the \$20 name tag draw.

Rick also reported that with the help of Brad Coupland (George and Hazel's son), his Chev was passed by Air Care. Anyone else needing similar help can contact Brad.

Rent & Resto Draw: \$80.50 was won by Larry Allanson.

Governor's Report: Next meeting is October 19 in Merritt.

SVA Report – None.

Arising from the Director's Meeting: Re trophies previously won by members and the Club – Where are they stored, should a special cabinet be built for them, and where should the cabinet be kept? There was no special interest in changing the status quo, so left as is for now.

A motion was made and carried at the Director's meeting to purchase the chairs used at the Clingwalls for \$150. They would be Club assets, and will be added to our inventory list.

To clarify a question that appeared in the Kamloops Kamshaft regarding members entering their cars in various events, Rick advised our executive decided that unless specifically entered by the club as a group, anyone entering their car into an event does so on their own. Any expenses are their own and any profits are their own as they are not being sponsored by or advertising for our club. Any profits raised by a CFV group entry will go into general revenue.

Arising from the '15 May Tour Committee Meeting Sept. 18th : Committee updates were given and a few new team leaders volunteered.

Bill Trant is updating the registration disc and will forward to us when done.

A tour logo is still needed, the theme being "Cars and Fun in the Fraser Valley". Please email your ideas to Jack Woolard.

A request was made for the set up of a new bank account with some of the funds from the Otter Co-op Car Show being deposited in to it. Jack made a motion that \$2500.00 be transferred to a separate bank account specifically for the 2015 May Tour.

Seconded by John Jackman. Carried.

Events: Haney Swap Meet is Oct. 6th.
is Oct. 11th and 12th.

Monroe Swap Meet

Ron Morris still has plaques for anyone who worked at the Otter Co-op Car Show but didn't enter their car.

Leroy asked for a show of hands of those interested in attending the annual Boxing Day Run.

New Business: Jeanette reported that the Children's Christmas Breakfast will be the morning of December 14th at the Bradner Hall. She is working out final details and will have tickets for sale at our next meeting.

Leroy advised that men's coffee is cancelled for October only, as he will be away at that time. Ladies breakfast will be on as usual, Wednesday, October 16th, 9:30 at the ABC Restaurant. All ladies welcome.

Long-time members Ken and Lil Baldwin recently celebrated their 60th wedding anniversary; Ken said they were most appreciative of the members who attended their open house, many of whom drove their old cars.

Rick reminded us that elections will be held next month, and to think seriously about volunteering for a position.

Cudos were given to James Bonar, owner of Classic Threads Upholstery and to Cory Derksen, of K & M Tune-Up Centre.

Frank passed on a few snippets from the Big Valley coffee shop.

Meeting was adjourned at 8:40 with a motion from Frank, seconded by Noel.

Respectfully submitted by Jean Clingwall for Robyn Ferenczi

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
