Check them out for all things automotive, parts, machining, paint and even body panels. Machine shop is in Chilliwack with delivery 4 times daily from their Abbotsford parts store. There is a discount at the checkout for car club members. There is the possibility of a shop tour one Saturday for the club.

The drive will be about 20 or 30 miles, we will end with coffee and goodies at Hougden Park.

Card Night Friday March 29th, as this is Good Friday, card night will be cancelled for March; George will set it up for another date.

George and Leroy have asked for someone to put together an overnight or circle tour for June/July. By show of hands there is possibly 12 -20 people interested in an Overnight Camp-out at Bob and Robyn's place in 70 Mile House.

We are on the Harrison list, there have been dash plaques and flyers ordered with Larry Allanson's 1934 Dodge Panel Truck being used as the feature vehicle. The advertising is being done by Otter Co-op and hopefully the flyers will be ready prior to next month's meeting. Mark your calendars, April 27 and 28, start time is 9:30 am, so we will need to start setting up about 8:00 or 8:30, lots for help will be needed. Thank you to John for spearheading this event. There will be final details next month.

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
