The News Letter of the Central Fraser Valley Chapter  
of the Vintage Car Club of Canada

1967 Mercury

Minutes of the General Meeting held May 1, 2013 for the Central Fraser Valley  
Chapter of the Vintage Car Club of Canada.

Meeting was opened at 7:35 by President Gord Taylor

No Guests tonight.

No new cars but Al Bencze reports a new top on an old car and his son has picked up a 1964 Buick Riviera.

Motion to accept previous month's minutes; moved by Mike McVey, seconded by Lois Wilson.

Membership; Rick Unger reports that we have 84 members.

Name tag draw; Larry Perkins. Not present so the pot grows to \$10.00 for next month.

Enticement (50/50) Bonus; Terry Johnson picked up this month's enticement of \$72.00

Events and activities committee report;

The 1<sup>st</sup> Annual Country Car Show at Otter Co-op was an amazing major success. John Jackman has a huge thank you to everyone who helped out. The committee was a sincere, fun loving, hard working group who made it come together. The one word from John to describe the show is "Fantastic".

Thank you to Larry Allenson for the use of his truck. There was lots of press for us due to this special truck. The Province had a ½ page write-up from Nigel Matthews, the Sun 1/2 page write-up was thanks to Cam Hutchins and the Langley Times had a big write-up thanks to Otter Co-op.

Hats are off to the staff and management of Otter Co-op for helping make this a big success. They went out of their way to help and make things work.

Thank you to Ron Eyben and the entertainment committee thank you to the entertainment; Madame Butterfly had faces of all ages painted and festive, the 20 member choir from Mission who donated their time.

When all was said and done we raised from; Entrance fees \$1300.00, Chinese Auction \$1700.00 and Food sales \$3400.00. So, minus our expenses we banked a grand total of \$4990.00. WOW! Congratulations to all who put in so much effort and a huge thank you to John Jackman for spearheading this for us and going the extra miles to make this work.

George reports the food was great, thank you to everyone who pitched in everywhere there was an extra body needed. There are a few tweaks needed for next year, different set up, a bit more food and couple of extra bodies. The Co-op staff were extremely helpful, the butcher, baker, manager and all of the staff. Thank you for all your help.

Ron Morris reports there were a few people who had some problem reading and following the signs to start with but everything eventually got sorted out. Thank you to all

the volunteers who pitched in to help park cars. There were 67 cars on Saturday and 100 on Sunday. There were cars parking down 248<sup>th</sup>.

Feed-back from Otter Co-op has been positive. They were extremely happy with the way everything went and hope we come back next year. They are a huge supporter of the community and local clubs so hopefully the members will get out and remember to support the Co-op.

If anyone has copies of the write-ups from any of the newspapers please forward them to Lois for the scrapbook.

Correspondence has been plentiful; U-line and Truck-n-Tow catalogues, Jack Anderson Charity Auto Auction and Sale in Olds Alberta, June 21 – 23, Model A Sunday, June 2 in Fort Langley, A & W Cruisin' for a Cause MS fund raiser August 22 at all A&W's, Friday Nite Cruise Nites in Mission on Lougheed Hwy starting May 31 at 5 pm. June 16, Old Car Sunday in the Park, A & W coupons, Model A Ford Swap Meet in Langley September 14, Vancouver Collector Car Sale and Auction June 22 and 23 at the PNE grounds and, the KMS Tool Catalogue.

John Jackman has added an article from the Vintage Car Magazine for April /May 2013 Scrapbook Museum. Part of the article was about the Rossland Transportation Society proving the superiority of Mopar. John says that "what was true about them in 1936 is still very true". The gist of the story is that Dodges haven't changed since 1936. You'll just have to read the whole story for yourselves.

Congratulations and thank you for the following year bar recipients; Leo Ferrero – 5 years, Glenn and Janice Irwin – 10 years, Irv and Valerie Janzen – 10 years, Dave and Joan Penner – 10 years, Tom and Marion Wiebe – 10 years, Al and Lis Bencze – 15 years, Noel and Carol Cleveland – 15 years and Neil and Lucy Eyben – 20 years.

Thank you to Jean Clingwall for all her hard work with bookkeeping and the organizing dates.

The 70 Mile House camp-out will coincide with 100 Mile House Hot July Nights Car Show. Arrive Friday night, a country drive to 100 Mile on Saturday, and leave for home on Sunday, with stops of interest for anyone who wants to drive with the pack. The sign-up sheet was sent around.

Ron Morris has set up a June 2<sup>nd</sup> US Brunch and tour. You will need your passports to meet for brunch at The Nuthouse in Lynden at 9:30 and then a drive and the Studebaker Museum. More information will come through email and Earl.

PNE show and Shine up date; There has been an email sent out clarifying the changes to this event. This is not during the PNE, it is endorsed by the NAACC and they are trying to make it more attractive for groups. Cars do not need to be left overnight and there can be different cars for both Saturday and Sunday. This is a private enterprise, check out [www.vancouvercollectorcars.com](http://www.vancouvercollectorcars.com).

Treasures report; Jean is currently undergoing treatment so until she is back Gord will look after the treasury.

The question has been raised in regard to the Otter Co-op fund raiser last weekend, "what were we donating to?" Are we interested in donating to a charity, which one, and how much? Gord will bring this to the directors meeting for further discussion.

Earl reminds everyone, if you have photos you'd like to share please send them as an email attachment and he will add them to the Crankshaft or forward them to Richard Heyman for the website.

New business; Terry is hosting a Garage tour and BBQ for a car club from Arizona and invites us to bring out our cars for a show. There will be more details in the email.

Canada Day Parades; are we going again this year? The theme this year is Wild West. It will be discussed at the Directors meeting and brought forward at the next meeting.

Upcoming events; Leroy and George have put together a short drive for those who cannot attend the 2013 May Tour in Kamloops. Watch the Crankshaft for more details.

Cars and Fun in the Valley May Tour 2015; report by Jack Woolard. The 4<sup>th</sup> planning meeting was held at Leroy and Jean Clingwall's home on April 20<sup>th</sup>. Unfortunately Leroy couldn't join us but it was a good meeting. Volunteers have been found for more of the items on our needed list and a timeline will be put together for the next meeting. A sample budget will be put together and we still need a logo. Kamloops will have the old ambulance running in time for the 2013 May Tour. It's been 8 years since it left Jacks backyard.

Dave Penner spoke about the Peachland World of Wheels cars show on the May long weekend. For more information on this contact Dave.

There is a Mother's Day family fish hatchery release at Stoney Creek in Clayburn. Begins at about 12:00 noon.

Ron has put together a \$20.00 Regalia Package consisting of; a dash plaque, a key fob, a lapel pin and a bumper badge. See Ron if you would like to purchase one of these packages. Also note, the price on the National dash plaque stated in last month's Crankshaft is incorrect.

Upcoming May Day parades; Bradner and Fort Langley will both be hosting May Day Parades if anyone is interested.

Motion to adjourn at 8:30 pm.

Ladies breakfast on May 15<sup>th</sup> at The Pantry on Marshall Rd and Men's coffee is on at Leroy's for those who can't make the ladies breakfast.

Respectfully submitted; Robyn Ferenczi, Secretary.

## Internet

Richard Heyman is doing a great job with our website. To access it go to the bar on top of the internet page and type in [www.vccc.com](http://www.vccc.com) , which should bring up the Vintage Car Club of Canada website, then click on Chapters A-M and then onto Central Fraser Valley. Work your way through the different headings. If you have something you would like to contribute or would like to see on the site, please contact Richard Heyman.

## Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
