New business; There was a wind-up meeting on May 16th at the Otter Co-op boardroom. Staff and management were very happy with the April Show and Shine and have invited us back next year for the Second Annual Otter Co-op Show and Shine. We are booked for April 26 & 27, 2014 and will make the date known on the Harrison List.

George and John are having a plaque made up for the staff and managers of Otter Co-op as a thank you for all their help. Ron Morris will talk to Dell Holbrook about doing some woodworking for the plaque and possibly making more wood cars for the clubs "thank you" token.

Leroy and George will look into putting on a BBQ or picnic in September or October. The club will cover meat costs and ladies are asked to bring a salad.

Earl has noticed, the club email is being filled with requests for Grad Cars and Wedding cars and is wondering how to respond to these requests. Richard Heyman and Gord Taylor will put together a policy on our website. Earl can respond to requests to refer to our website.

Ken P has informed us about deliveries in the USA. Ship-happens is the best known in Sumas but they have recently had vehicles broken into with no secure storage. Ken

suggests for vehicles and larger items being delivered, Mini storage is a safe delivery at \$3.75 per package. Pick-it-up charges \$2.50 and Bromley's has shipping pick up available too.

Louisiana Hayride will be performing on September 21st at Chilliwack Cultural Center. These guys were at the May Tour in Kamloops and were great entertainment.

Ladies breakfast is on June 19th and Men's coffee is on at Leroy's.

Big Valley report was given by Frank Nicolette at the expense of some lawyers.

Meeting adjourned for the summer and coffee at 8:40 pm.

Respectfully submitted, Robyn Ferenczi

Equipment Inventory

Over the years the club has purchased a variety of items like signs, canopies, coffee making equipment and many other things. We, the present executive, do not know what we own or where it is located. This would save us from making duplicate purchases and also, if anyone wanted to borrow something we would know who to talk to. I will attempt to create an equipment list and publish it monthly in the Crankshaft Journal so everyone knows what we own and how to access it. This will take a while to establish and I cannot do it without everyone's help. I will start the list and hopefully you can let me know if you have anything that belongs to the club.
