Menno Home Car Show – June 30, 2017

Every year, the management and staff of Menno Place in Abbotsford, one of BC's largest senior's care campuses, hosts a "pre-Canada Day" celebration for their 700 plus residents.

The day includes a BBQ, entertainment and, for the past number of years, our chapter has put

on a car show for the residents to enjoy. Coordinated by member **Barry Bollman**, 10 cars were displayed around the courtyard on a very pleasant sunny day. We received many thanks and compliments on our participation.

Thanks to all those who were able to come out to support this worthy cause.

BC Truck Museum Tour and Show – July 8, 2017

The weather for this year's **Truck Show** at the BC Truck Museum in Cloverdale was simply ideal! The sun was shining and the air was warm (but not scorching!). The hamburgers and hot dogs were on the grille and the atmosphere was nothing short of wonderful. We were given personal tours through the museum by knowledgeable staff, and the history of some of the trucks (some with incredibly low miles) was fascinating!

Approximately 25-30 vehicles of all varieties from pickups and panel deliveries to full-on semis were part of the fabulous outdoor show and shine.

Country Car Show Cheque Presentation

John Jackman (right), Country Car Show committee chairman and **President Rick Unger** (left)

on behalf of our chapter, presenting a cheque to **Marion Keys** and **Ron Kuehl** of the Abbotsford Hospice Society from proceeds of our 2017 show.

The donation was presented in honour of our recently departed member Ron Eyben who spent his last days at the hospice.
