MAY TOUR: Stan Strahl and Ken Grahame

- **Stan reported** that last night was the Chilliwack Chapter Meeting and the report was shared with them.
- o Added that the Chilliwack Chapter is a very small group – totaling 31 members, of those 31 members 29 either volunteered time or registered for the tour and volunteered time. The six pack and the chapter are pretty proud of this commitment to the success of the tour.
- o A volunteer lunch was held on May 27th, this was well attended and well deserved. It included, lunch, social time, speeches and door prizes.
- **Ken provided** the following report

o First would like to acknowledge the tremendous amount of work that Ray and Colleen Broderick put into the planning and pre tour preparation of the tour. They so much wanted to attend (even for a short time) but due to quickly changing health problems were not able to make that happen. We wish them all the best in their battle to recovery.

o Final numbers are not complete as there are still some outstanding commitments, however:

§ The seed money has been returned to the National

§ We have a cheque for both the Chilliwack Chapter and the Central Fraser Valley Chapter for \$1000

§ We have a cheque for CFV Chapter in the amount of \$525 (the amount donated by CFV for the Valve Cover Races) we are donating this back to use for future development of the track or other related costs.

Well, the May Tour is over including the Volunteer's Party which was held last week at the Chilliwack Curling Club and which was attended by a number of you.

Although the final numbers are not yet in as there are still some cheques outstanding and the bank account cannot be closed until all payments are finalized, the Tour did show a small profit, pretty close to the amount we were told to aim for.

Despite the fact we had some cancellations due to various health reasons right up to the day of the tour start, we were able to process full refunds. In fact, one person who registered and did not show up called me the day after the tour was over and told me how he had his car all shined up and ready to go the day before the tour start and then woke up in the hospital that night. Fortunately, he seems ok but the doctors are still doing tests.

The Tour organizers were comfortable enough with the financials that they made a decision to return the moneys donated by CFV towards the Valve Cover races, so I have a cheque for \$525 to go to future development of that endeavour.

If you have not organized a May Tour before, you might not be aware that the many venues you use for meals and visits base their charges on a head count which has to be finalized at least a couple of weeks ahead. That means that, for example, we had to pay for 175 people even though only about 165 were in attendance. To put that in perspective, those costs also add up to more than the registration fee each person paid.

Since the Chapter is taking a break for the summer, I am pleased to be able to present this cheque from the 2025 May Tour now. When all the bills are in and the accounts finalized, I expect there to be an additional lesser final amount. Each of the Chilliwack and this chapter are receiving the same amounts. In fact, I attended the

Chilliwack Chapter meeting last night and presented them with their cheque.

I would expect that when I present the final financial statements, the Chapter will appoint a couple of members to conduct a review and report back to both chapters.

Thank you all for your most helpful support

Yarrow Days Parade and Festival

Saturday, June 7

Yarrow Days Parade was an enormous success again this year. Travelling down the main street, the entire town showed up to cheer us on.

There was a good showing of vintage cars and trucks, as well as a variety of other entries such as brass bands, pipe bands, fire trucks, horses and more.

Bevan Lodge Car Show and BBQ

Friday, June 13

Once again, our Car Club provided a fine showing of vintage vehicles for Bevan Lodge (now called Trillium/Bevan Village). We had 16 cars show up (a record) and they took up just about all the parking spaces available. The weather was virtually perfect-not too hot-and Bevan's BBQ was, as usual, the best. We were presented with a plaque (*below*) from Les of Bevan Lodge for this, our 12th annual car show.

We know that the guy in the hat is Logan, but who's that beside him (without the hat)?
