Advised that the show was again very successful, a wrap up meeting was held on May 21st and the pros and cons of the show were discussed to ensure improvements for next year.

Has had a follow up meeting with **Dan Village** at the school, very positive and looking forward to future years together. It is possible that the school may open the facility to accommodate washroom needs, the Art Department may become involved in designing a poster, parking lot line painting and safety concerns regarding the speed bumps were discussed.

Many thanks to the dedicated volunteers that helped make his job easier:

Colleen Broderick: Colleen Broderick, and her amazing attention to detail, kept us on top of deposits and expenses.

Vicky Wiewel: Without her dedication to spreadsheets in keeping our donor and sponsor list up to date – the raffle and follow up thank you letters would have been a nightmare.

Frank Nicolette: Organizing, liaison and parking of commercial vendors.

Kathy Nicolette: Documenting our meeting with timely minutes, licencing for raffle and 50/50, securing insurance certificates, thank you letters and prompting me with agenda items and timelines – I call her the glue that held us together.

Ed & Vi Froese: Offering the use of their “man cave” for our meetings. Ed for his amazing collection of corporate sponsors, and as liaison with Badass for posters and pre-registration

Al & Cindy Ganske: Collection, organizing, and managing the Raffle Prizes, and poster design.

Terry Johnson: Loading/Unloading the tents, tables, chairs and this year bringing the Valve Cover Track

Ron & Pat Morris: Gate Registration, Welcome Bags, Dash Plaques and Trophies. Also, followed up to deliver raffle prizes not picked up and prepared additional Dash Plaques and delivered to overflow registrations both delivered after the show.

Regan & Tracy Lewis: Infinite source of knowledge, my go to for advice, poster design, arranging and looking after the music, signage and picked up the slack where-ever needed.

Joe & Jeanette Wright: Member pre-registration and car place cards. Jeanette also looked after the club table

Willie Wright: Providing the portable washrooms (and maintenance of the same)

Mike McVay: Outsourcing security, media liaison and canvassing, collecting and placing more posters than all of us combined.

Ken Zondervan: Organizing parking and working with his crew to ensure parking went smoothly.

Ken Grahame & Marina Bailey: Monitoring the Valve Cover Racers. This was a huge success and draw for entertainment for attendees, also looked after collection and refund of recycling.

Ben Campen: Many thanks for his nephew’s donation of the Taylor Swift print – huge draw for the raffle.

Roy and Sue Shull, Rick Unger, all the help at the club table, my apologies for missing anyone else involved, you all have done an incredible job. Thank you, Thank you, Thank you.

Special thanks go out to Lorraine, my life partner for putting up with me. It has been a huge learning curve, and I couldn’t have done it without her support.

Regan Lewis: Expressed a **huge thank you to John** for a job well done. This was followed by a round of applause.

Discussion followed regarding the donation amount to be made to the Youth in Trades Program at the School

Birthday Report: Jean Clingwall

Provided a report that shared June, July and August Birthdays with us.

Sunshine Report: Jean Clingwall

· Steve Williams, passed away June 1st – will forward a donation in lieu of flowers.
Asks that members call her if you know of any club member needing some sunshine.

Good of the Order:

Rick Unger: Spoke about the success of our club is because of our volunteers and offered a shout out and recognition for a job well done to Jean Husband she has been our correspondent with reports submitted to the Vintage Car Magazine. She does an excellent job – Thank you and keep up the good work.

Ron Morris: Spoke about the recent **May Tour** and expressed how good it was. Was happy to see new members Elsbeth Knott and Les Assels attending.

Several members and associate members won awards at the tour – to be noted in the Crankshaft.

“Has been corrected by yours truly but Ron Morris screwed up with this announcement – ask him how”. (Hint – gave credit for winning multiple awards to the wrong member)

Special mention made to **Allen & Linda Tuningley** winning several awards for his 1959 Rolls Royce Silver Cloud

- Best in Class, foreign post war
- National Award, Presidents Highpoint award post war
- Lord Montague Award – best first-time judge vehicle, post war
- National Award for most elegant post war car
- First Prize ribbon for the event

Ron and Pat also saw Dan Ramsay’s wife Helene recently and she gave a few books she would like to give away – they are at the front, please pick up after the meeting.

Also, mentioned a shout out to **Cloverdale Paints** and asked Terry Johnson to elaborate on what they do for us. Terry advised that every year they deliver and return the trophies that are presented at the May Tours. These tours as you know are all over BC. The trophies are contained in 4 very large, heavy wooden boxes and without their help we would be scrambling for help or paying dearly to transport these.

This was started years ago by a long-time member, **Wayne Vogal**, the owner of Cloverdale Paints at the time, and has continued both after he sold the business and since he has passed on.

Please support this business if you are needing paint and mention a thank you for their support for our club. Kathy to draft a thank you letter for this amazing service.

Jeanette Wright: Asked if anyone has had any contact with **John Jackman** or knows how to get in touch with him. John is a long-time member, and it was him that started the Country Car Show. Some have tried to reach him unsuccessfully.

Ken Grahame: Last meeting had asked about interest in him providing a “Mystery Auction”.

It’s not happening tonight – due to undisclosed circumstances – to numerous to name. However, it will give you lots of time to save some coin for bidding in September. Also, time to research what a PT Cruiser is.

LeRoy Clingwall reminded us of

- o June 17 – Men’s Coffee – LeRoy Clingwall’s – 9:30 am
- o June 17 – Ladies Breakfast – Ricki’s Restaurant – 9:30 am

Cultus Lake Parade

Saturday, June 20, 2026

The Cultus Lake parade is part of Cultus Lake Day, and it starts with the parade through the "village" of Main Beach. Although it was a smaller parade than usual, it was more than made up for by the spectators who turned out in the hundreds along the route.

We started the parade along Sunnyside Blvd. went to the end, and turned onto 1st Avenue which took us right along the lake shore. All along the route, people came out of their houses or lined the way.

There is also a craft fair and stage performances as well as a good selection of food vendors. It was a great day!

A special thanks to Frank for sleuthing out the newspaper picture below of Henry actually in the parade.
